Tom,

10 March 2015

My congratulations for the great job archiving over 10,000 pages of Taro Leaf Magazines on line, as well as numerous other documents and information. I never realized all the potential information available on the Association's Web Site. (have it Bookmarked, have passed details on to other Victory Division Soldiers).

My name is Steve Lutz, and I am a Life Member (#2185) of the 24th Division Association. As a Field Artillery Officer, I served two tours of duty with the 24th Division at Fort Stewart, GA (1981- 84; 1989- 91). During my second tour, I commanded the 3rd Battalion 41st Field Artillery- and we deployed as part of the Division to Saudi Arabia/ Iraq for what turned out to be Operations Desert Shield/ Desert Storm from August 1990 through March 1991.

Part of our Division's Battalion duties, when we were at Fort Stewart, was to maintain Community Relations with the various towns in the vicinity of the Post. Our Battalion was assigned responsibility for the Georgia towns of Vidalia and Lyons in Toombs County- home of the famous "Sweet Onions". That turned out to be a great and friendly relationship between the towns and our Soldiers; with the Battalion providing Soldiers to support various Community Activities, and those towns really treating our BATTLEKING Soldiers very well.

When the Division redeployed from Iraq, the Antler Printing Company in Lyons, GA offered to print our Battalion a Souvenir Book of our Combat Tour in Iraq. As a result, our battalion took our collective photos and created a Booklet, and the Antler printed us 1000 Copies - that they gave us "Free of Charge" for our Soldiers. That has become a very valuable and memorable booklet for our BATTLEKING/ Victory Division Soldiers over the years since our deployment.

After seeing the 24th Division WebSite that you maintain- I would like to nominate our 3rd Battalion 41st Field Artillery, 24th Infantry Division "BATTLEKINGS Yearbook" for inclusion on the 24th Division Association's WebSite. Our unit was an integral component of the Division Artillery, with the mission to provide Direct Support Fires to the Division's 2nd Brigade. We are certainly proud of our service in the Victory Division, and I know of several former members of the unit, who, like myself, are either Life Members or Members of the 24th Infantry Division Association.

Enclosed in this envelope is a copy of the 3- 41 FA "Yearbook". I think it is a valuable and interesting Document from a battalion level in the Division's History. Hopefully you will agree - and the Booklet will find a permanent digital home on the Division Association WebSite.

In the future, I will also locate an interesting picture passed down from my Grandfather to my father to me. My Grandfather, MSG Edward Lutz, was an Army Recruiting Sergeant in Newark, NJ for many years. One of his 1920's Enlistees did service with the "Hawaiian Division" at Schofield Barracks- and during a trip back to Newark, gave my Grandfather a picture of the "Hawaiian Division Insignia" - comprised of Soldiers in a mass formation in a Taro Leaf configuration. I received the Photo from my father (retired Army Officer) during my first tour with the 24th Division (had it framed; it always hung in every office I occupied for the remainder of both my military & civilian careers). I will locate the photo in my attic, get a good copy made- and also send that for archiving onto the Association WebSite. It is a classic photo of hundreds of Soldiers from the mid- 1920's - with various photos of Schofield and Hawaii on the edges.

Thank you for the tremendous work you have done as WebMaster for the 24th Division Association. Hopefully our Battalion Yearbook can be scanned and included as part of the Division's history on the same Website.

Battlekings of 3/41 Field Artillery:

In August 1990 we began a great journey together — off into the unknown of the Persian Gulf. Our mission was initially to defend Saudia Arabia from Iraqi aggression; then to liberate the 2 million people of Kuwait from Sadaam Hussein's terrible rape of their country. Your dedication and service can be summed up by the words of a currently popular song, "It wasn't always easy, it wasn't always fair, but when freedom called, we were there."

You can be extremely proud of your accomplishments — you have been a part of the greatest mechanized warfare operation in history. We completed General Schwartzkopf's "Hail Mary Play" by driving 340 kilometers deep into Iraq in less than 36 hours. We fired more artillery than all units of the 24th Division Artillery combined and all units of the 212th Field Artillery Brigade combined! We fired the only combat Copperhead mission in the Victory Division and completely demolished an enemy observation post. The Battlekings also sent many Iraqi Republican Guard soldiers to an early meeting with Allah, as we completely destroyed Jalibah Airfield and the RGFC ammunition depot with awesome, accurate fire. The chapter in Battleking history you have written will stand forever, acknowledging 3 wounded in battle and the only DIVARTY unit to have members receive the Bronze Star for valor in combat.

STAND TALL! BE PROUD! This book will serve to remind you of your combat service with the best artillery unit around — the "Battlekings" of the 3rd Battalion 41st Field Artillery. I hope you enjoy it for many, many years to come. My sincere appreciation to Harold Rhoden and his Antler Printing Company in Lyons, Georgia for publishing this entire book out of respect and admiration for our battalion. And also to LT Steve Myers who made numerous trips to Lyons as well as set up the book, ideas and artwork — without his work, this project would have never been realized.

Again I tell you — I am proud to have been your commander. I will always remember our times together in the National Guard area, Dammam, As Sarrir, "BK City," rehearsals, AARs, combat in Iraq, and most of all, the flight home and reunions on Cottrell Field. What an honor for me to serve with you trememdous soliders! May God grant you health, happiness and success in the future.

SOLDIERS OF THE 24th MECHANIZED INFANTRY DIVISION:

On 24 February 1991, the 26,000 soldiers, 1,800 armored vehicles, and 6,800 wheeled vehicles of the 24th Mechanized Infantry Division Combat Team and the attached 212th Field Artillery Brigade and 36th Engineer Group attacked into Iraq. Our primary purpose was to destroy and agressor army and to free the two million people of Kuwait. We have accomplished our mission.

In just 100 hours of battle, you attacked 370 kilometers deep into the enemy's flank and rear. We severed the Iraqi lines of communication through the Euphrates River Valley and systematically annihilated the 26th Commando Brigade, 47th and 49th Infantry Divisions, and four Republican Guards Divisions. You destroyed over 363 tanks and armored personnel carriers, 314 artillery guns and mortars, 207 anti-aircraft guns, 1,278 trucks, 19 FROG missiles, 22 MRLs, 25 enemy high-performance fighter aircraft and helicopters, and captured over 5,000 prisoners. The Victory Division also detonated over 1,300 ammunition bunkers with more than one hundred-thousand tons of munitions. The offensive capability of the Iraqi Armed Forces has been wrecked. Saudi Arabia and the Gulf States are now safe.

The 24th Infantry Division's attack spearheaded the ground offensive for the Allied Coalition Force. Our advance moved farther and faster than any other mechanized force in military history. The speed, violence, and determination with which you fulfilled your mission completely destroyed the enemy's will to fight. Tactical victories such as Talill Air Base, Battle Position #102, Jalibah Air Base, Basrah Plain, and the Rumaylah Oil Field are now engraved in the history of the 24th Mechanized Infantry Division.

Each of you will return to families and to an American public filled with a great sense of pride and respect for your personal courage and sacrifices. Your accomplishments, together with thousands of other soliders, sailors, airmen, and marines who took part in this battle, have reindled a new spirit of patriotism throughout our great country. You have revitalized America's confidence in our Armed Forces. America is more safe and prouder because of your strength, discipline, and valor.

We must not forget our fallen comrades. Eight Victory Division soldiers were killed and thirty-six were wounded in this campaign. We will remember them with both dignity and honor. Their legacy is two million free Kuwati citizens and en enduring message to both free and oppressed people throughout the world. . . There is hope; Freedom is never without cost, and; Americans will fight and die for our principles.

GENERAL ORDER TO ATTACK

Soldiers of the Victory Division — we now begin a great battle to destroy and aggressor Army and free two million Kuwaiti people. We will fight under the American flag and with the authority of the United Nations. By force-of-arms we will make the Iraqi war machine surrender the country they hold prisoner.

The 26,000 soldiers of the reinforced 24th Infantry Division will be the First to Fight. Our mission is to attack 300 kilometers deep into Iraq to block the Euphrates River Valley. Our objective is to close the escape route for 500,000 enemy soldiers in Kuwait.

On D-Day, 24th ID (M) will be the point of the spear for a general offensive by 700,000 Coalition Allied soldiers. The Victory Division attack has the central purpose to smash into the enemy rear and destroy their will to fight. The shock action and violence of the 24th Infantry Division assault will save thousands of American lives from the blood work of fighting through the fire trenches of Kuwait.

There will be no turning back when we attack into battle. One hundred thousand American and French soldiers of XVIII Airborne Corps will fight on our flanks. We have the weapons and the military training equal to the task. We pray that our courage and our skill be bring this war to a speedy close.

In WWII, in Korea, in Saudi Arabia. . . the soldiers of the Victory Division have never failed America. We shall do our duty.

WHERE'S THE POPCORN? At Battleking City, soldiers assembled under the big white tent to watch TV. Soldiers were sent their favorite TV shows and movies from friends and family back home.

DINING IN. 2LT Gore and other HHB officers held a Dining In at Battleking City. The function was altered a little in that no alcohol was served and the men didn't wear Dress Blues. Instead, they wore authentic Saudi headdress.

TIME OUT — One day out of the week, soldiers got to go to Battleking City to relax and watch TV, read or play sports. The Battalion formed a football, volleyball, softball and soccer league.

HOMEMADE CHRISTMAS TREE —

PFC Moore and PFC Evans stand under the Battery's Christmas tree. The tree was made from chem-lights and antenna poles.

THE CHRISTMAS D. J. — At the Battery Dining Tent, PFC Evans D.J.ed the Christmas music while the soldiers ate their Christmas dinner. The dinner consisted of turkey, ham, fruit and lots more.

LOTS OF GOODIES — The Battery Christmas Tree inside the Dining Tent was decorated with ornaments and pictures sent from home. The tree was surrounded with fruit and candy for the soldiers.

WHAT A MEAL! SFC Rodriguez and PFC Williams help themselves to more food on Thanksgiving Day. The soldiers had the traditional Thanksgiving Dinner with all of the trimmings.

CHOW TIME — The soldiers of HHB held their Thanksgiving dinner outside of the dining tent. The dinner was the same as home's but the setting was definitely different.

WELCOME TO THE DESERT! This was HHB's home away from home
for seven months

ITS HOT! Trying to beat the heat, 1LT McPhearson sits under his camo tent with a wet towel over his head. The temperature in the desert ranged from 110° to 120° during the day and from 45° to 35° at night.

TAKING A BREAK — At Assembly Area Hinesville, CPT Hefner, former Battery Commander, and SGM Bender take a break from the move to the new area.

LATHER UP — PFC Maxon, along with other soldiers, tried to keep clean by taking a shower in the shower stalls which arrived in Saudi in October.

GUARD DUTY — PFC Delgado stands guard over A.A. Hinesville. Every soldier had to pull guard duty.

CHANGING COMMAND — On December 1, 1990, CPT Hefner turned over the command of HHB to CPT Galletta. CPT Hefner went to replace the FSO at 2-4 Cav.

WHICH WAY IS HOME? HHB developed signs at A.A. Hinesville to help the desert seem more like home. The signs also reminded the soldiers of the family and friends they had left behind.
